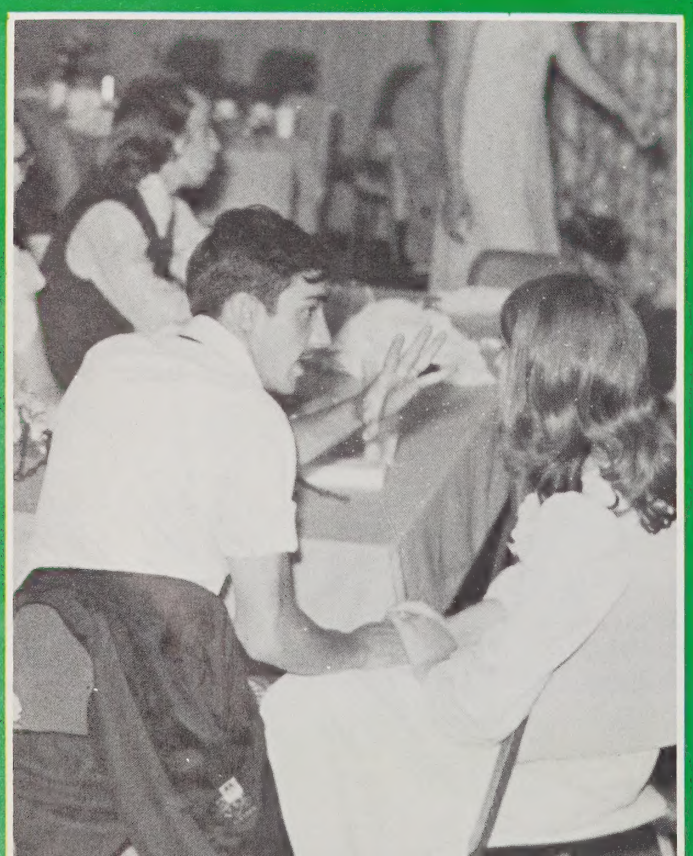
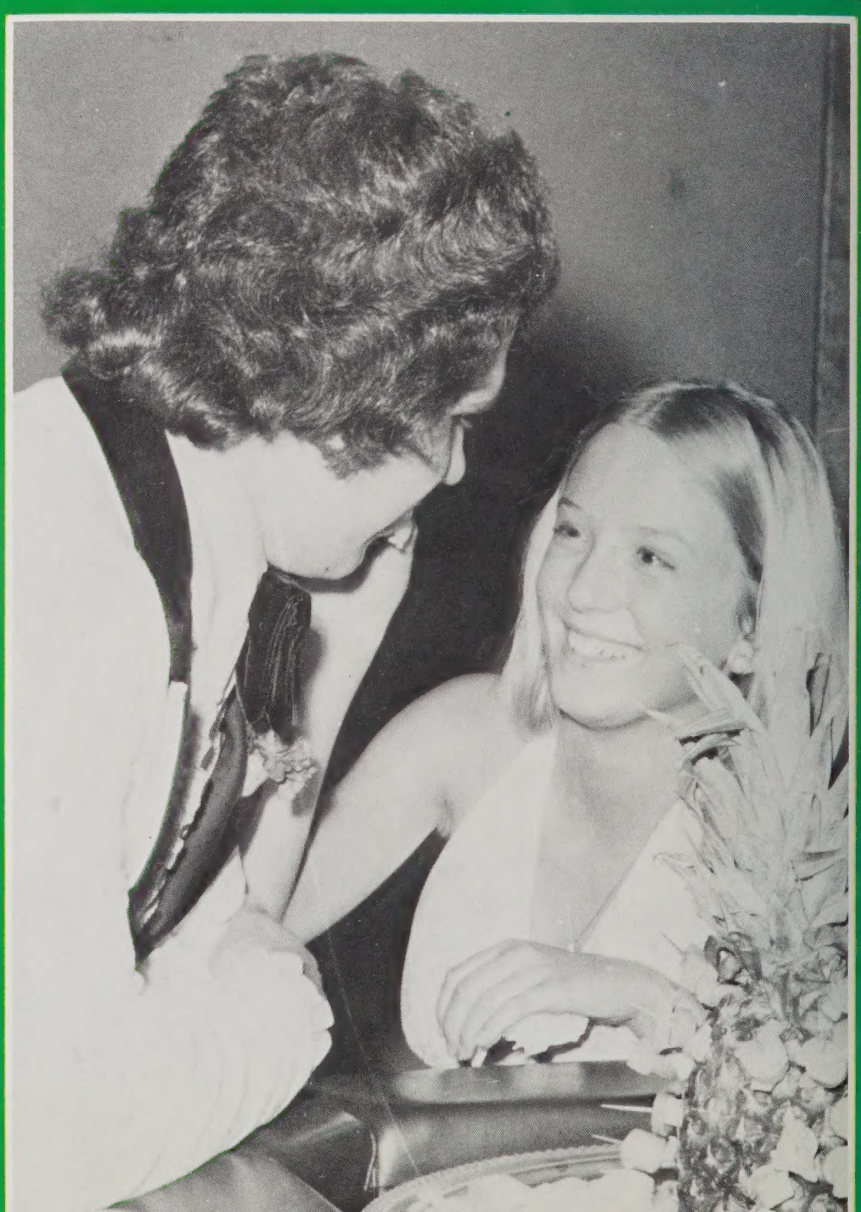
ALL TOGETHER





"PLAY IT AGAIN, SAM"

A new tune was played by the Junior Class this year. Junior-Senior Prom at the Holiday Inn; who ever heard of anything so ridiculous?

Success--it was--dancing to the music of Justice, refreshments in the bar, trips to the car for reinforcements, and wow, those parties!

Do it again, Juniors!

YOU CAN'T TAKE IT WITH YOU

Moss Hart & George Kaufman

Mad, madder, and maddest describes the characters portrayed in the Senior Play.. The daughter of the mad Sycramore family falls in love with the son of the very businesslike Kirby family only to realize that such a marriage would be impossible. As usual, fireworks are exploding and the IRS is after someone.

YOU'VE COME A LONG WAY BABY

You've come from baby rattlers, pacifiers, diapers . . . first grade primers, cursive writing . . . freshman initiation-beanie caps, name tags, and just pure agony . . . to honors, scholarships, trophies, certificates, and special recognition. Keep it up, baby.

"HAVE A LITTLE TALK WITH MYSELF"

I pushed the last one into the bottle and clamped the new "child safety" cap in place.

There--I had put all my memories of WHHS away and they would never bother me again, or so I thought.

During the summer weeks, I felt really down and out. A different kind of life lay ahead of me and I was afraid that I might fail. I was an adult at last with decisions to make about my future . . . college . . . technical school . . . supporting myself . . . marriage . . .

One day in August, after constant nagging from my parents, I decided to clean out my closet. I found a dusty bottle and all those memories of WHHS came flooding back. Oh, how homesick I was--if I only could have one more year at WHHS . . .

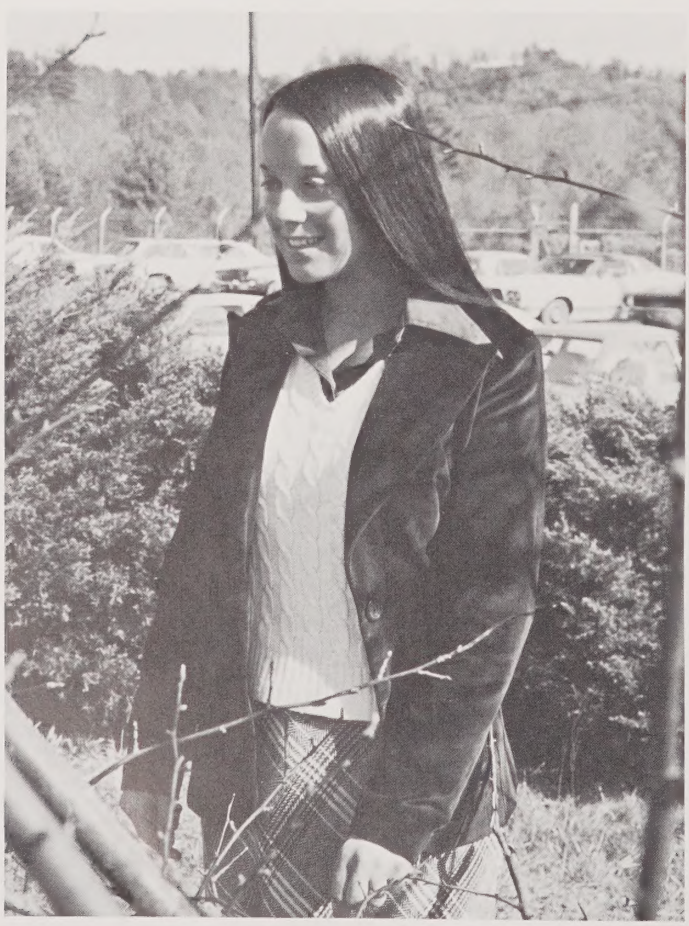
EVERYTHING IS BEAUTIFUL

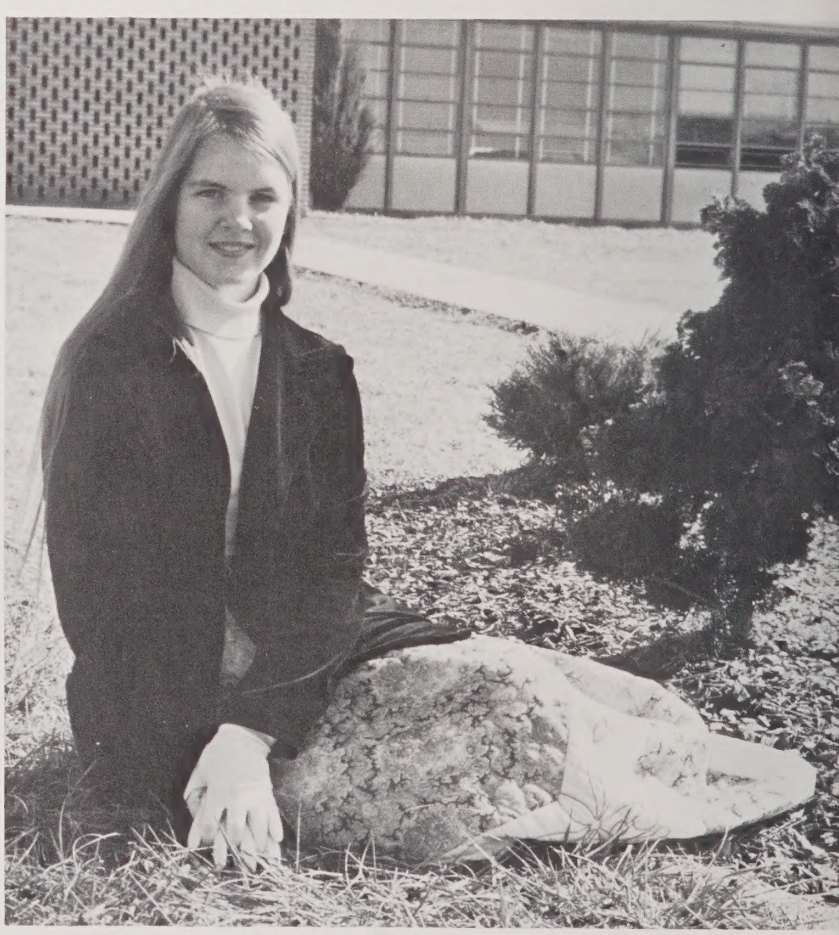
Excitement mounted as half-time drew near. No one knew what the outcome of the game against Edneyville would be. As time went on Cynthia Lance was crowned the 1974 Homecoming queen.

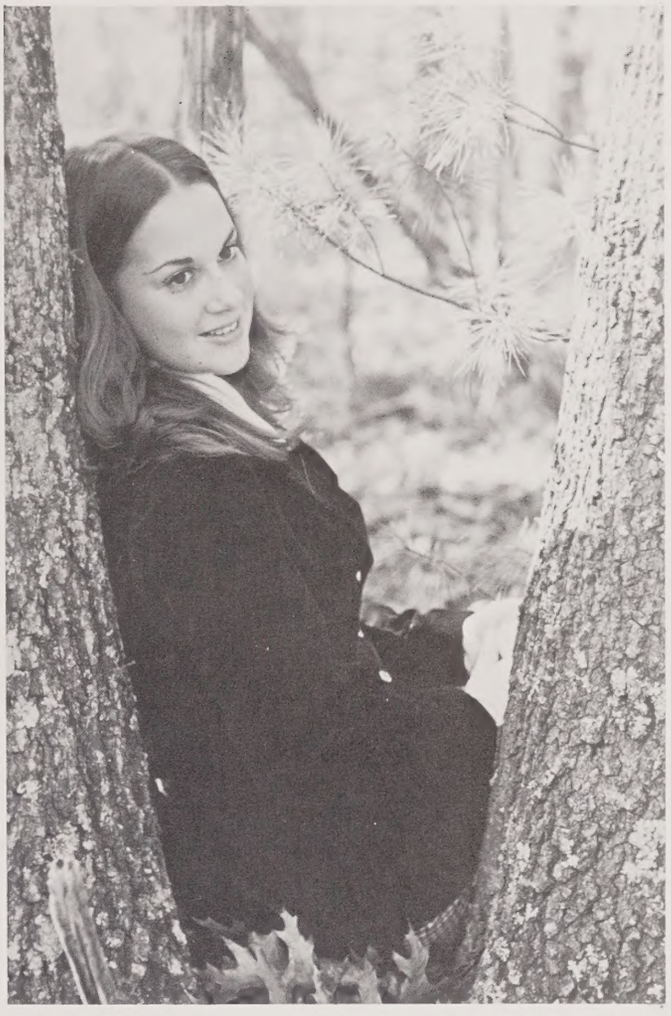
Oh well, we may have lost the game but we gained a beautiful girl as the queen.

Senior Homecoming Representatives were: Rose Smith, Sherri Case, and Beth Tatham.

Junior Homecoming Representatives were: Michelle Cochrane, Kathy Brown, and Rita Young.







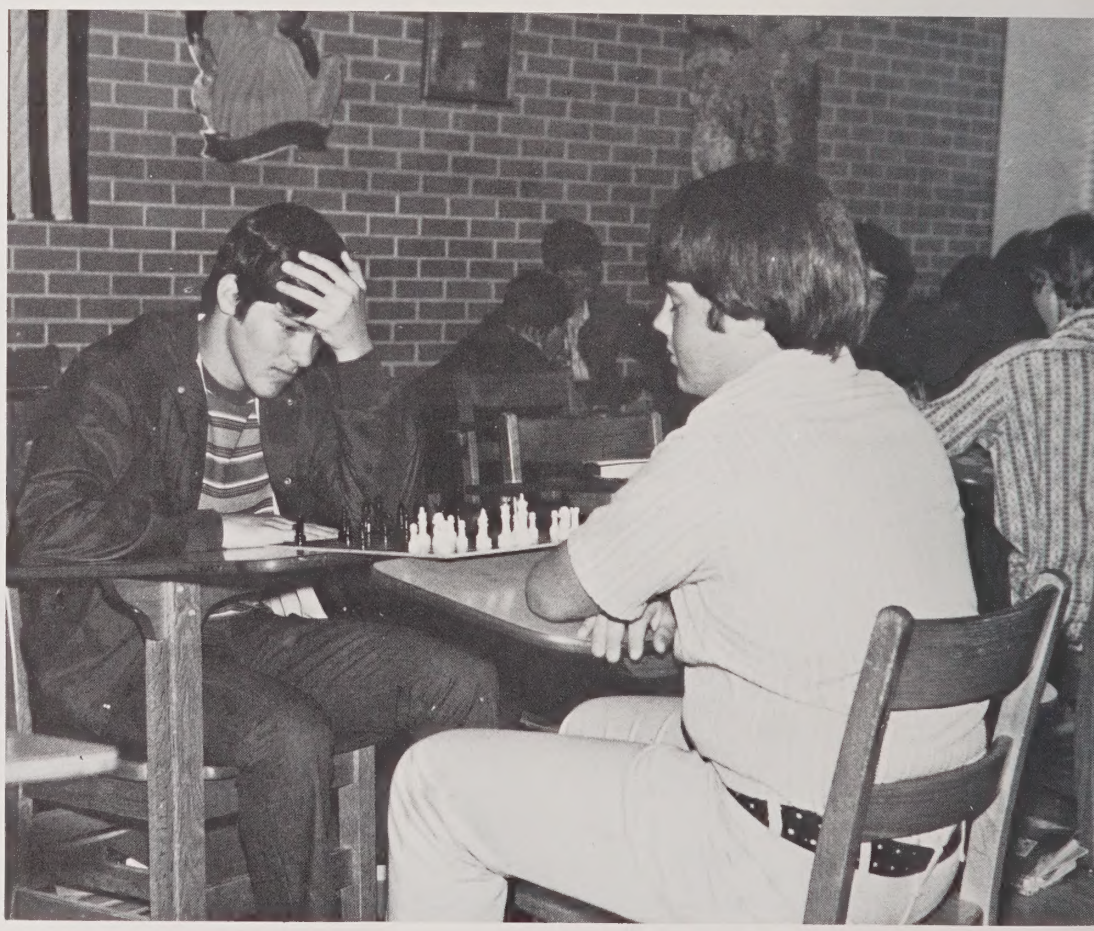
Sophomore Homecoming Representatives were: Debbie Ward and Pam Pruitt.

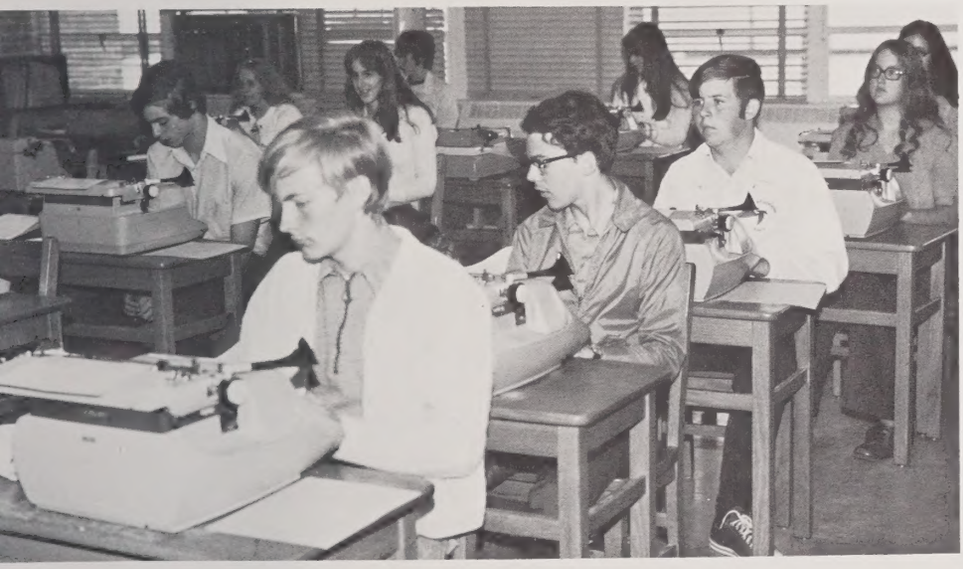
Of course, there is always "Future Miss Hopeful."

THE ENTERTAINER

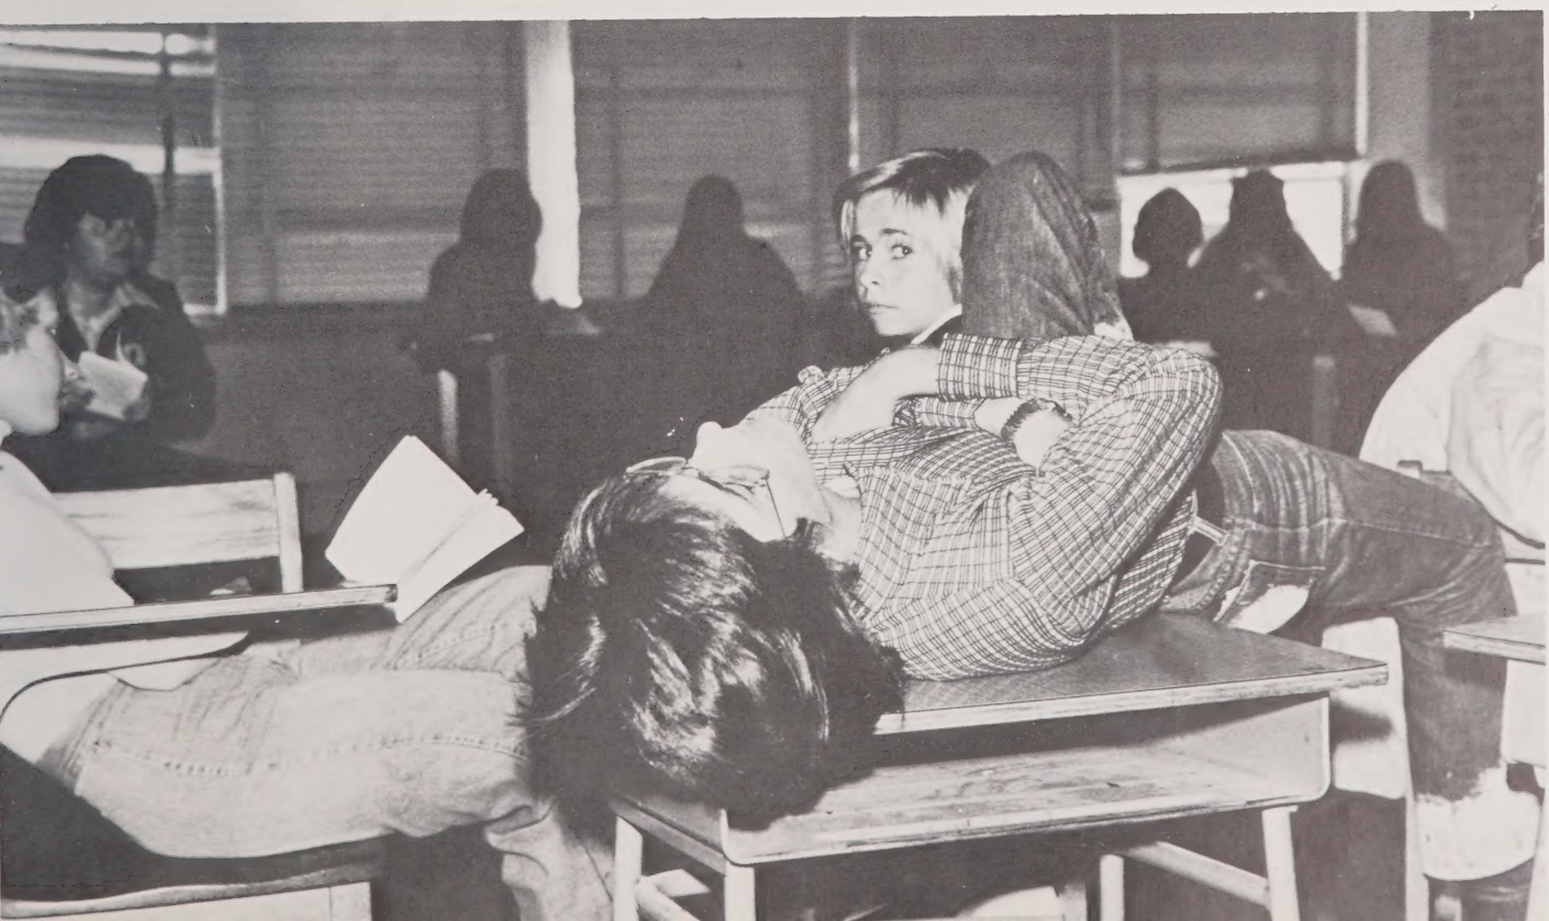
Friday morning assemblies were sometimes as unbelievable and surprising as a slap in the face (see photo). We received entertainment from such things as pleasant as the Gettysburg Address to things not so pleasant as the destruction of the world, in "Alas Babylon". Thanks, West High, the student body needed that!

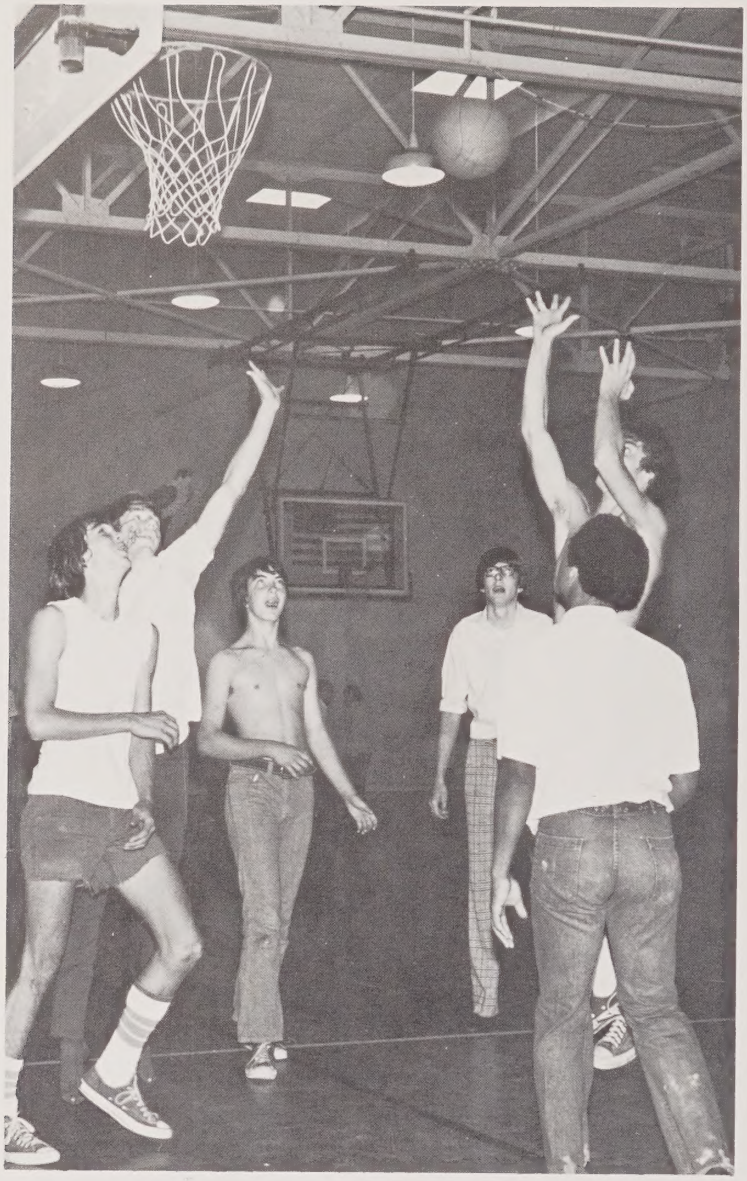
FLOAT CLASSES

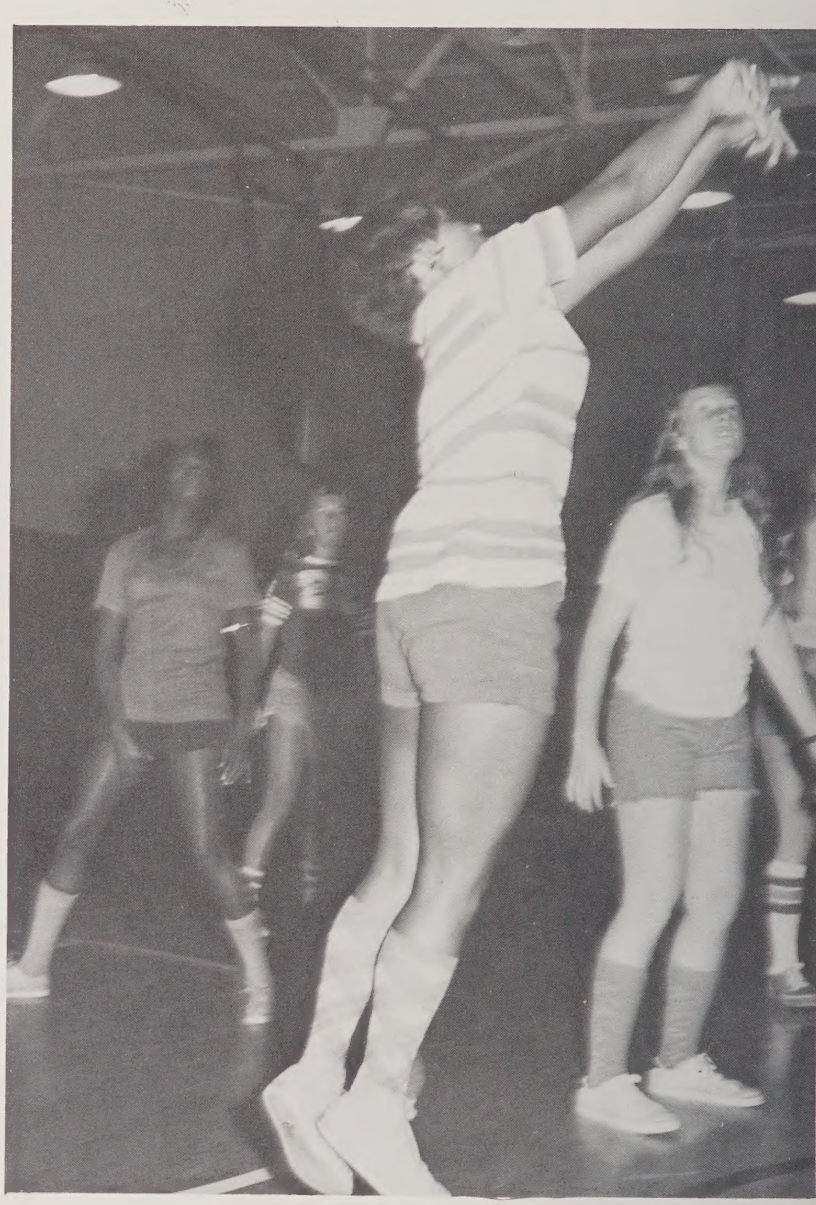


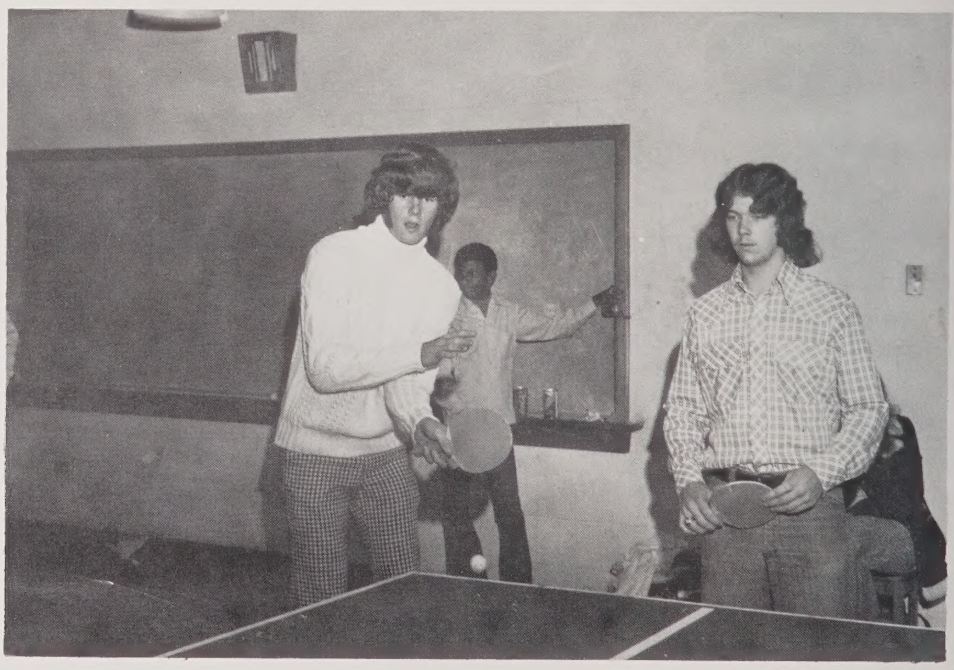


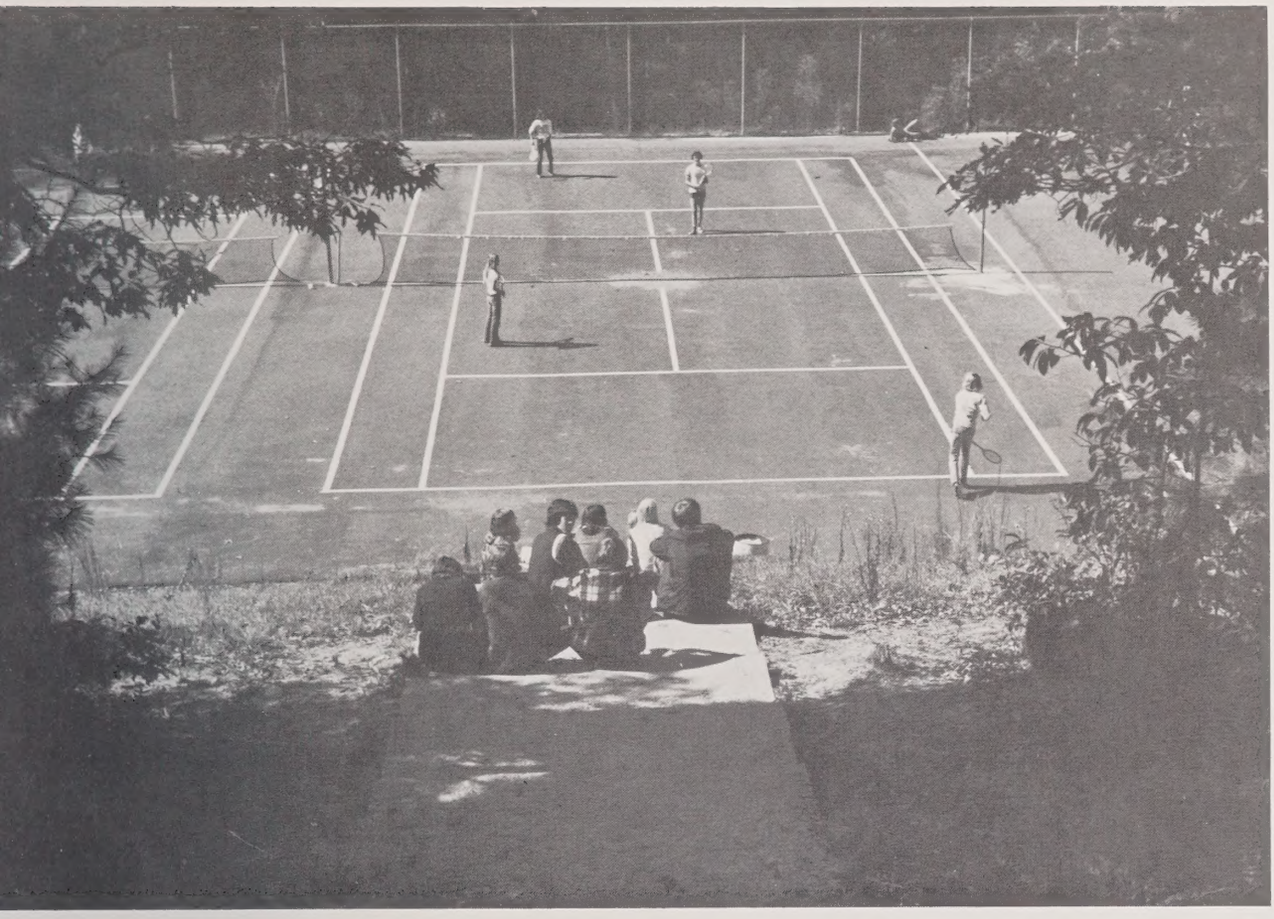
LET'S PUT IT ALL TOGETHER

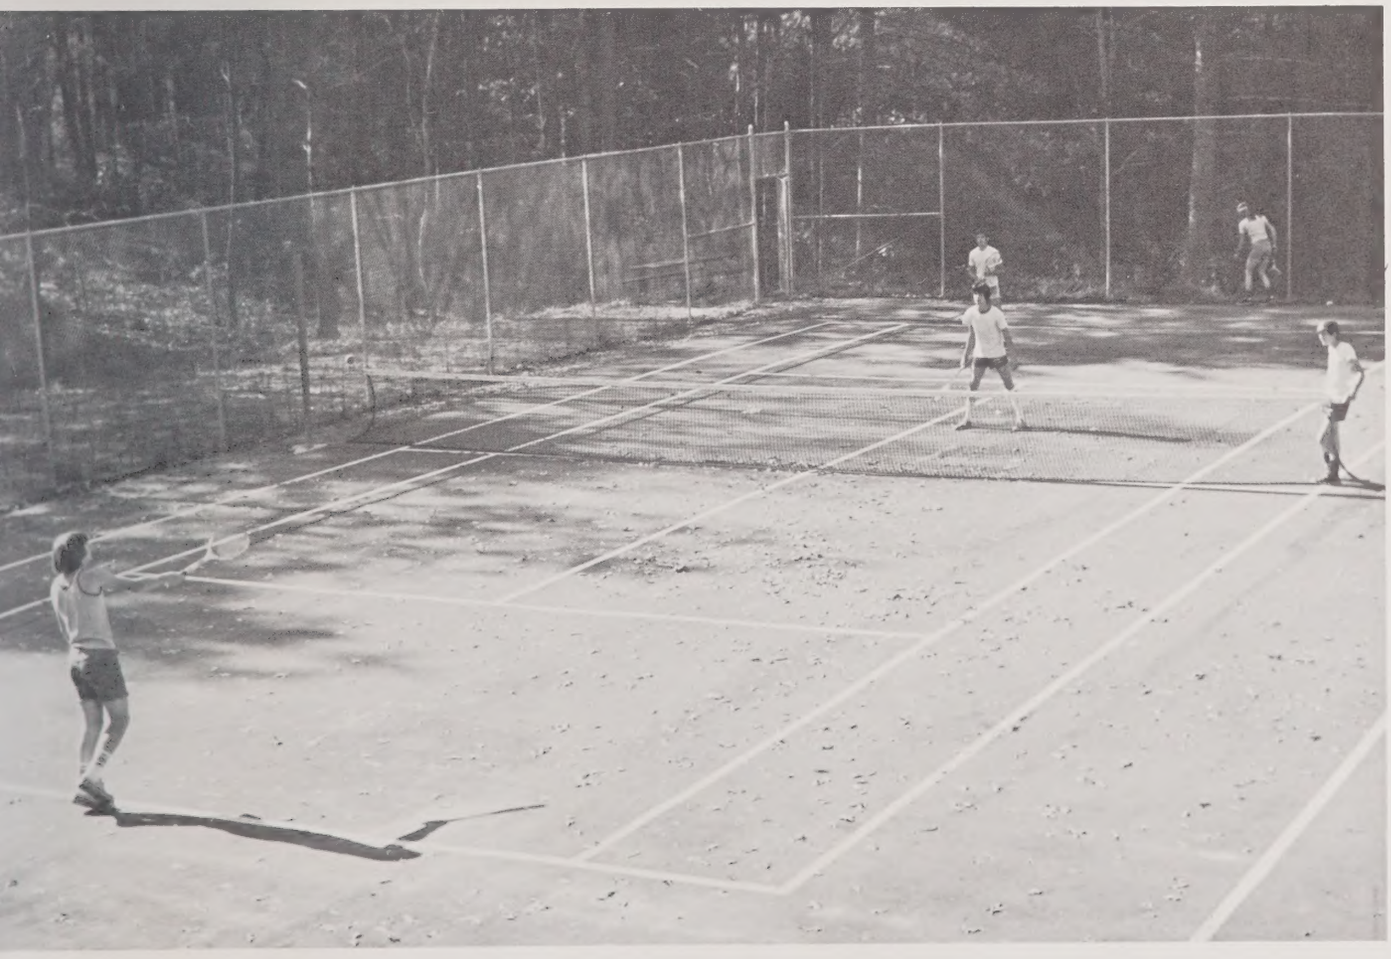


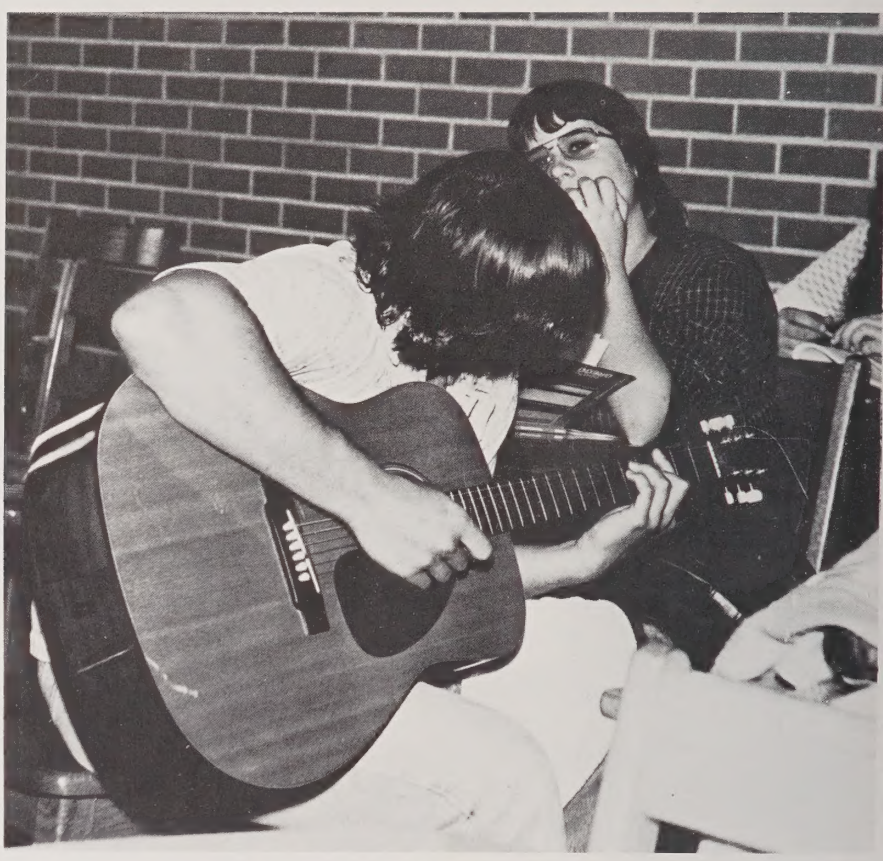




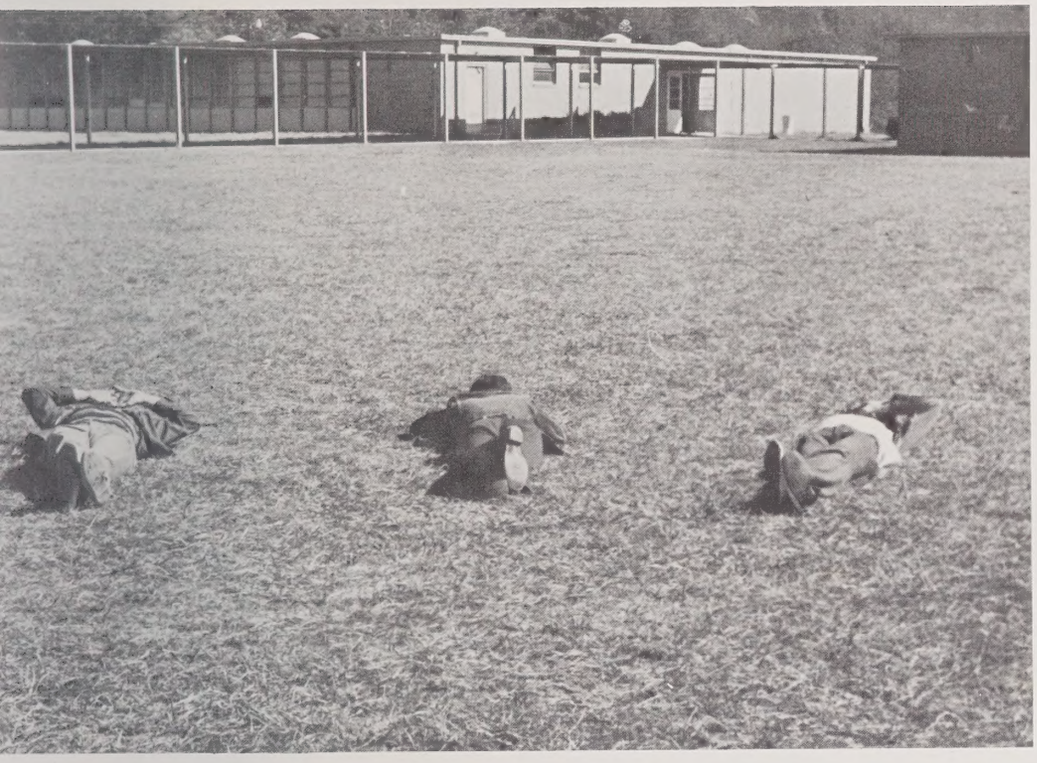








Float classes were established to give the students something to do during the free period which they have each day. The students had many choices to choose from such as guitar, Bible, ping pong, tennis, needlework, Home Economics, Physical Education, and study hall.



Of course there are those who just float (or lay) around.

DAY BY DAY

Up at dawn . . . Catch that bus or if you are lucky enough, get your car started and head for school.

Let me see, "What day is today?" Oh, this is Wednesday, so that means that we have third period float--a good time to do your thing whether it be tennis, pingpong, basketball, chorus, or just floating around school.

Some students work to get experience in the business world. Some work to help in preparing for themselves a more promising future. Some work to acquire a more mature attitude toward financial conditions. But mostly, I think they work for the MONEY.

DRIVER'S EDUCATION

Remember your first day under the wheel in Driver's Ed. After 20 minutes of trying to start the car, running upon the sidewalk, slamming on the brakes, almost hitting the mailbox, and jerking down the hill, you finally make it into the highway. Then you settle down to serious driving, while Mr. Dickson sings another chorus of his favorite hymn.

COLOR MY WORLD

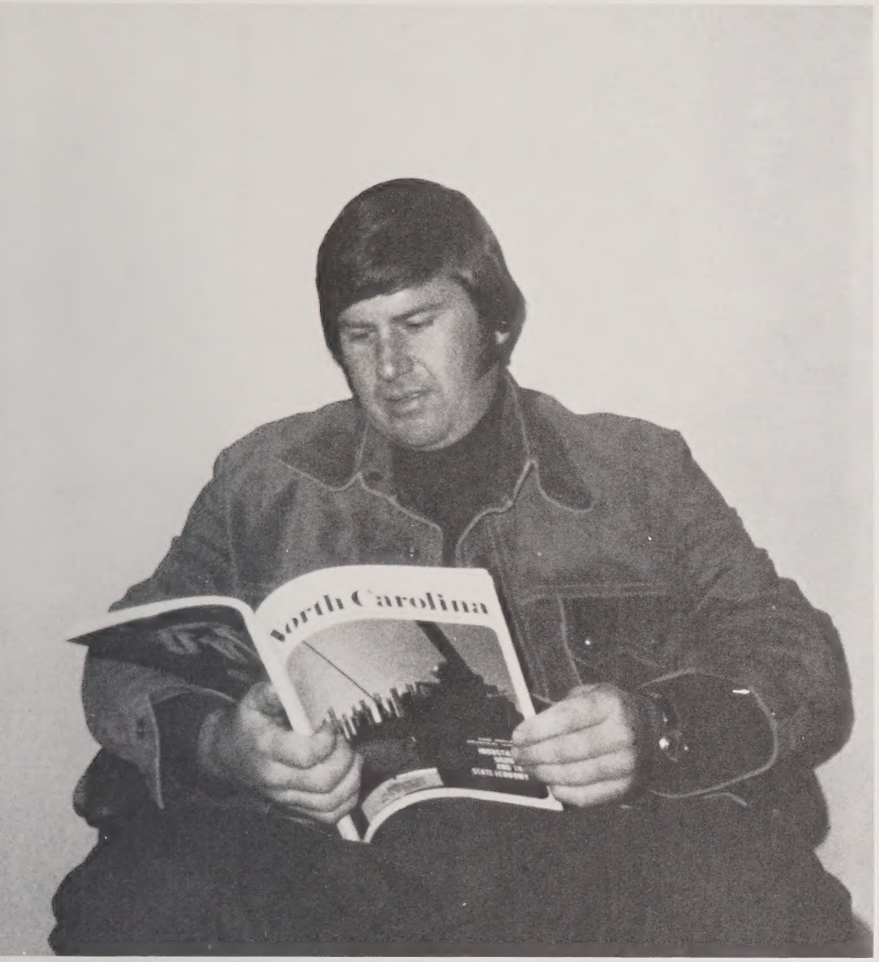
For every craft that exists nowadays, you can be sure that there's a kit out to make the job easier and the best kit we know of is West High's ART CLUB. There are kits for painting signs for college day, kits for painting the press box, kits for decorating the lounge, and best of all, there is a kit on how to win ALL the prizes at Kings for the best art displays.

WALK A MILE IN MY SHOES

"Let's keep in time everybody. Why do we have to practice today. It's so cold. Oh no! there goes my baton again. Oh! I feel like a fool. That's the third time that's happened to me. Well let's see if I can get back in time. Oh no! there it goes again." Through all this our MAJORETTES do a great job during the athletic season.

AMERICAN WOMEN

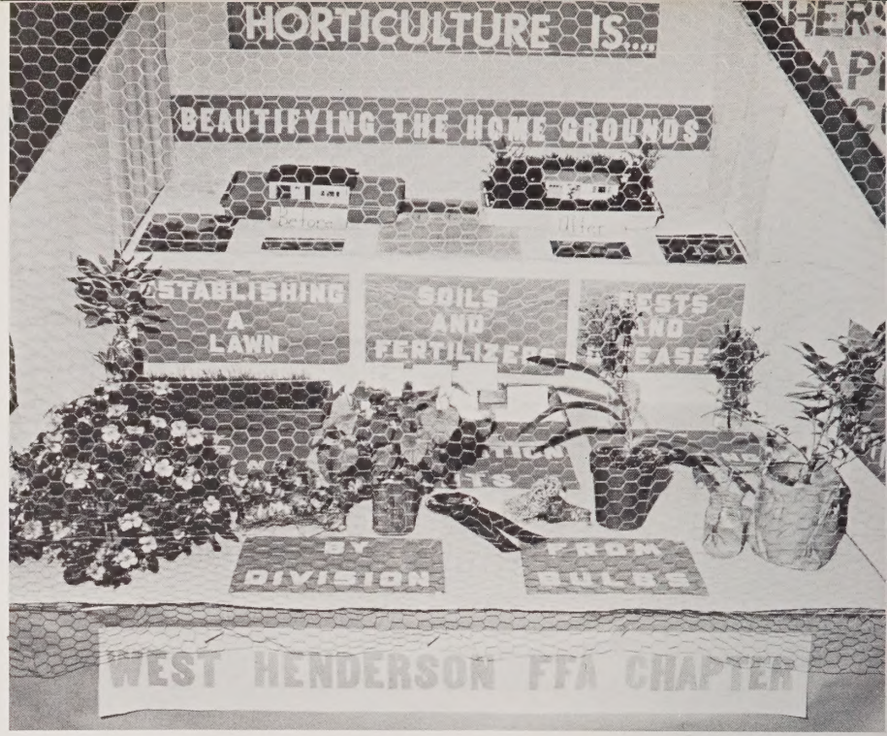
Mrs. Barker: "That's a lovely cake."
Student: "It's not a cake."
Mrs. Barker: "Well, that's a lovely pancake."
Student: "It's not a pancake either."
Mrs. Barker: "That's a lovely biscuit, and big too!"
Student: "Mrs. Barker, it's NOT a biscuit.
Mrs. Barker: "Well then, WHAT is it?"
Student: "I don't know either, but we are having it for lunch."



LET'S STRAIGHTEN IT OUT

Confusion used to be the word for clubs. They didn't know what the other clubs were doing, and most clubs were doing the same thing.

INTER-CLUB COUNCIL changed all that. Clubs are now doing more than has ever been done before at West High.



TIE A YELLOW RIBBON 'ROUND THE OLD OAK TREE

"All right students, we've got a lot of work to do today. You girls need to straighten up in the greenhouse and get ready to sow tomato seeds. I need a couple of boys to cut a load of wood and deliver it." These are just a few of the things that FFA does.

The FFA received a first place rating for their display at the county fair. (Top photo). The officers are: (right) R.A. Goodrich, Sentinel; Frankie Maxwell, Reporter; Scott Brackett, Treasurer; Tim Conard, Vice-President; Tim Merrill, President; Leonard Capps, Secretary; Mr. Joe Francis, Sponsor.

BRAND NEW KEY

Have you ever had the feeling that the world was coming to an end, especially when you see Wesley Marona wearing a tie! Don't be alarmed because it's probably the day of a KEY CLUB luncheon.

"Hitch your wagon to a star" would best describe the effort that KEY CLUB has put forth during the past school year. It has shown other clubs how important it is to always put your best foot forth to accomplish anything you want done!

This has been the second consecutive year the club has won first place in a joint project with Keyettes, for the best homecoming display. Last year they were chosen the best KEY CLUB in Henderson County by the Kiwanians. They are also active in school activities, community projects, and attend various churches for church support.

KEY CLUB has found a BRAND NEW KEY!

Officers are: President, Marty Riddle; Senior Vice-President, Wesley Marona; Junior Vice-President, Richard Rhodes; Secretary, Doug Dunlap; Treasurer, Bob Mabry; Sgt. of Arms, Bobby Graham.

I'VE BEEN SEARCHING SO LONG

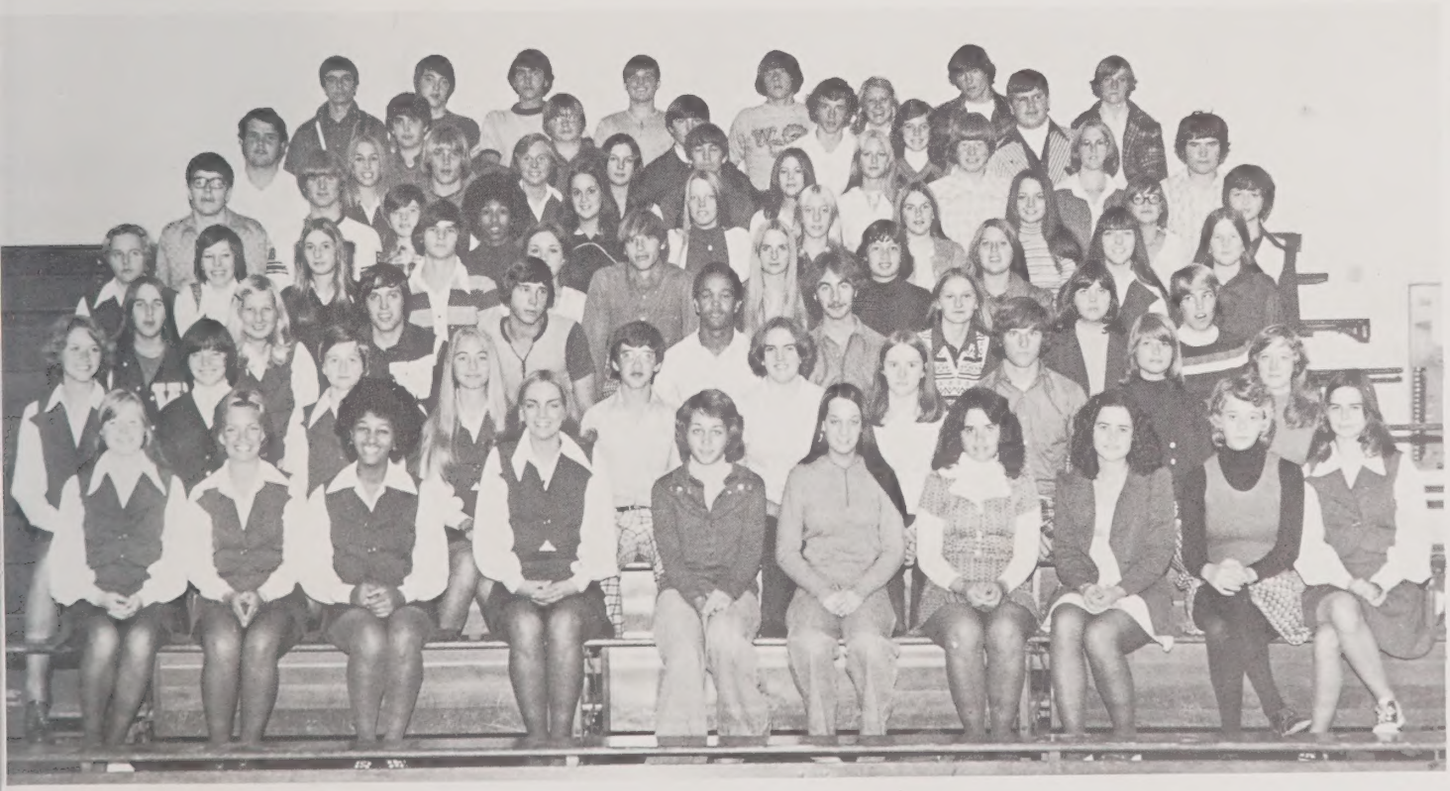
In the halls of learning and knowledge there comes a cry "Buy an apple for a dime in the library." An easy explanation of the aforegoing statement is that each apple purchased is one step closer to the carpet desired by the library.

Other exciting activities of the LIBRARY SCIENCE CLUB are the Faculty Tea, Book Exhibit and luncheon meetings each month. The officers are: Marilyn Edney, president; Arthur Ward, vice-president; Dena Pitre, secretary-treasurer; and Wanda Evans, reporter; Deanne Hamrick, sponsor.

Remember, an apple a day will keep the sound away.

JUST A CLOSER WALK WITH THEE

When you hear of FCA, you probably think only of the FELLOWSHIP OF CHRISTIAN ATHLETES, but it means much more--a fellowship with anyone who wishes to attend. So, come on over on Friday morning at 7:30 for an hour of togetherness. Officers: President, Beckie McIntyre; Vice President, Dennis Dunlap; Secretary & Treasurer, Susan Nelson



SIDE SHOW

With all that marching and playing everyday fifth period, it is no wonder that the West High "FLYING FALCON" BAND is invited to play at the Motorama, Kings' Anniversary, and many parades. To top it off, they received a class A, Division II rating at the Western Carolina University Band Festival, in which twenty-seven bands from several states participated.

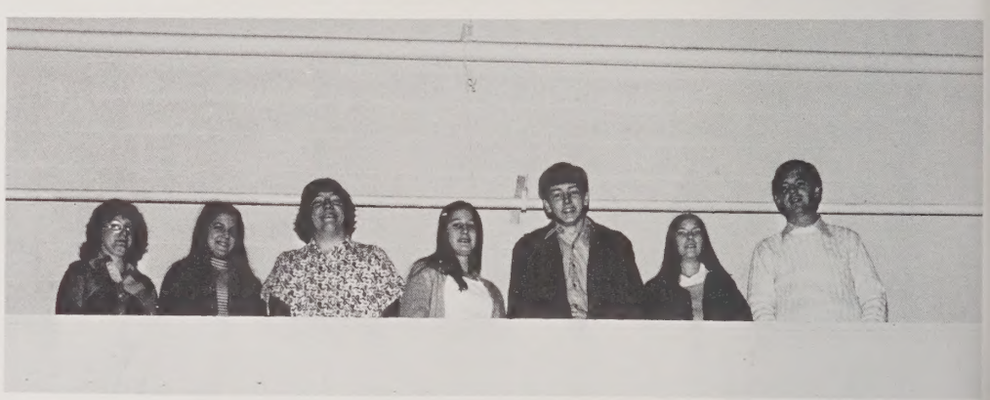
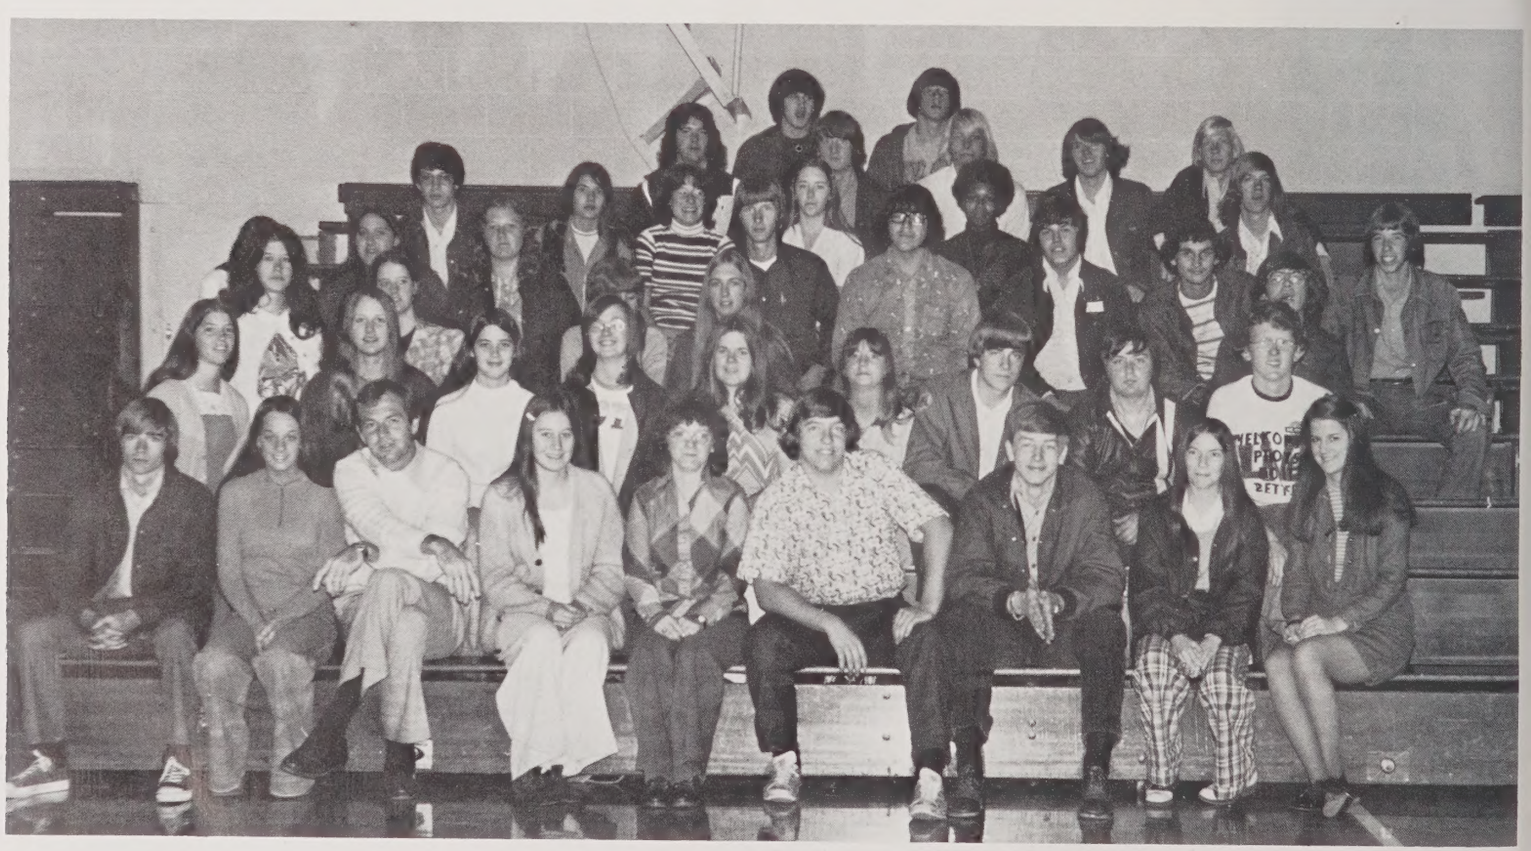
GUITAR MAN

Do you want to stretch that small allowance each week into much more so that you can afford that dazzling new car? Well, just ask those DECA students how they do it--they not only have everything they want, but they have Mr. Jim Barbour as their sponsor and they also get out of school at 12:20. What more could a West High Student desire? Officers are as follows; Pres. Karen Smith; Vice-Pres. in charge of Community Relations: Arthur Ward; Vice-Pres. in Charge of School Relations: Kenny Allison; Vice-Pres. in Charge of Sales: Ed Bryson; Historian; Kim Henderson; Sec. & Treas.. Kathy Rector; Parliamentarian: Dinah Livingston.





TAKING CARE OF BUSINESS

We've come a long way together. Instead of just being the homemaker, you can now take your place in the business world with equal employment opportunities, benefits, and pay. As a member of the BUSINESS CLUB at West High, you can emerge as a total person, no longer discriminated against as you once were because of your sex. The BUSINESS CLUB offers all of this plus refreshments. Don't run girls, just walk to V-4 on the fourth Tuesday of each month. Officers: Lynne Ballinger, President; Rita Lance, Vice-president; Mary Rhodes, Secretary; Donna Brackett, Treasurer; Teresa Davenport, Reporter; Sponsor, Mrs. Joyce Coggins.

Blood, sweat, and tears are a result of effort and hard work these lettermen have put forth in proudly representing West High. They have earned the right as our LETTERMEN. Congratulations!

LEND A HELPING HAND

Through the years man has been amazed at the miracles of medicine and drugs and now let man be acquainted with the projects and activities of the HEALTH CAREERS club at West High--a scholarship to one of its Senior members, collect for Cerebral Palsy, and tour various hospitals. Officers are as follows: Pres. Kathy Brackett; Vice-Pres. Bryan Baker; Sec. Marion Davidson; Treas. Angela Hardin; Historian Coleen Celestin. Sponsor, Miss Mary Ruth Heil.

PUT YOUR HAND IN THE HAND

The All-American girl in blue describes each member of KEY-ETTES . . . a helping hand to the needy and the handicapped, lunch with the Kiwanians, College-Day activities, back-to-school night for parents and coat-check for basketball games keep them involved.

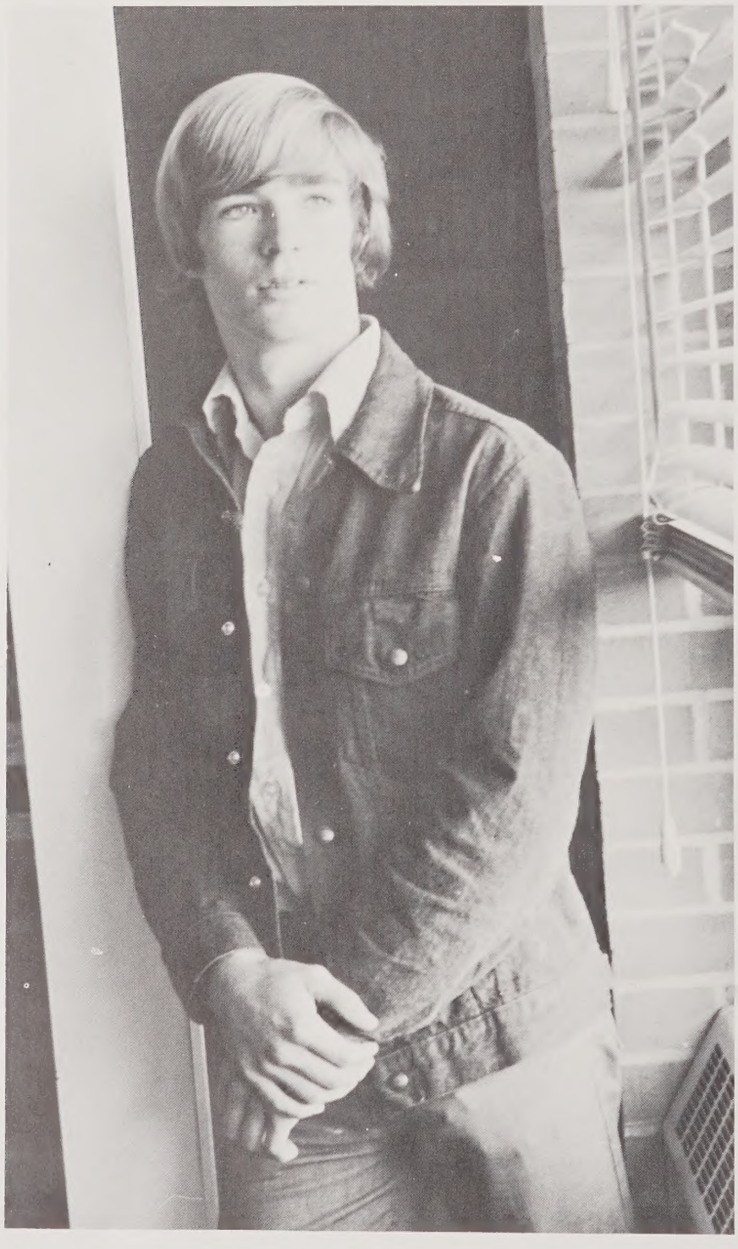
Officers, President, Shelia Hollingsworth; Sr. Vice-Pres., Karen Smith; Jr. Vice-Pres., Becky McIntyre; Secretary, Cindy Lance; Treasurer, Phyllis Allen.

Sponsor, Mrs. Phyllis Driver.

THE FAMILY OF MAN

What do I know about Ecology?

After collecting many cans of trash (papers, glassware, disposable cans and bottles), driving through the smog and grime at Canton, and touring the national parks convinced me that I know very little. So, join the ECOLOGY CLUB as I did and find out if Mother Nature meant for things to be this way. Sponsor, Mr. Howard Rudisail.



DO IT TILL YOU'RE SATISFIED

Moe, Larry, and Curly just can't compare with Ken, Doug, Brenda, Robin, and Mr. Ballard in their service to West students. Revising the handbook, publishing the student directory, attending the state convention are just a few of the STUDENT COUNCIL'S activities.

President; Kenneth Allison, Vice-President; Doug Dunlap, Secretary; Robin Neill, Treasurer; Brenda Taylor.

Looking for a job! Well, so am I . . . Ms. What's Her Name from the BOE class.

What is your typing speed? List the different machines you can operate. Do you have transportation? What hours can you work? These are just a few of the questions I am constantly asked as I rush from the State Employment Office to Pardee's, Fishburne's, Kings' . . . desperately looking for a job.

Finally landed one . . . boy what fun, but there must be some way to get in more hours so that I can make more money. What if I skipped school one day and went to work instead . . . great as long as I don't get caught . . . but leave it up to Mrs. Betty Smith to catch me and she did. Guess the payment on that little blue bug will just have to be late.

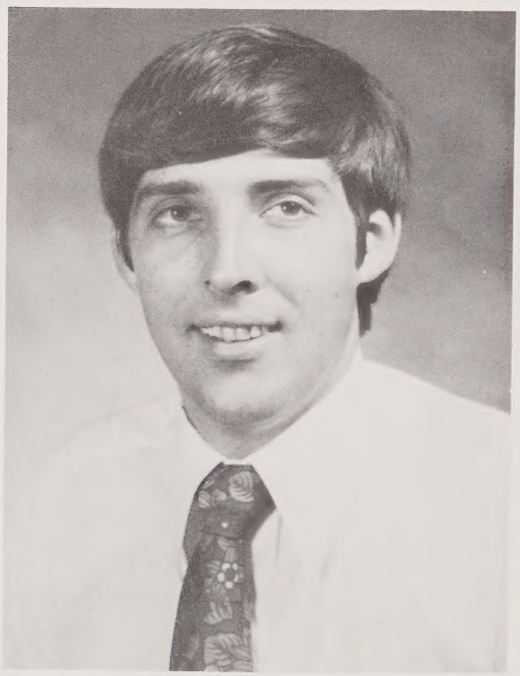
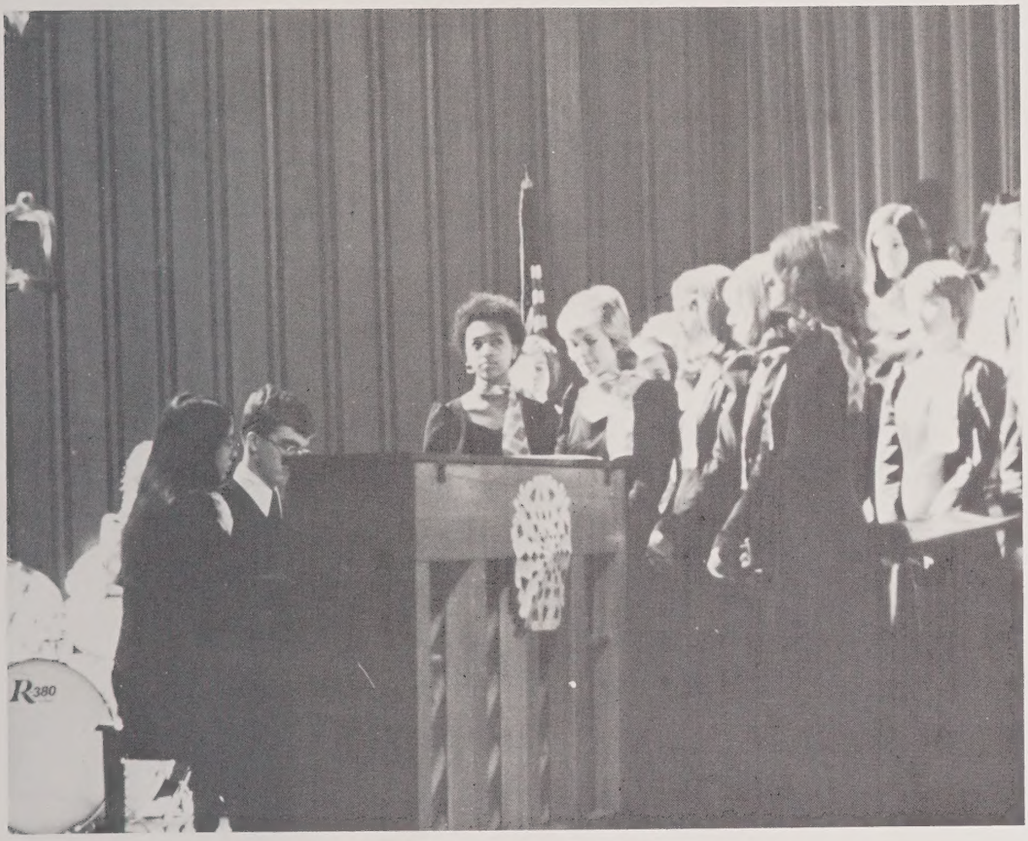
BIBLE CLASS

Everyday problems were brought out into the open during Bible Class this year. Mr. Cox's understanding and guidance together with knowledge of the Bible brought many students together in a relaxed and congenial atmosphere.





SING, SING A SONG

A One, A Two, A Three!
"Sing, sing a song . . .
No, no, not like that,!"
This is one of the things Mr. Edwards and the people in CHORUS go through to get ready for their concerts. Through all the practicing, during fourth and float periods, they always seem to do their best. "So let's try it one more time. A One, A Two, A Three . . ."

HIGH FLYING BIRD

Ever wonder where the spirit posters come from, or who was the person who was clever enough to put the words together. Well the PEP CLUB is the one responsible. Headed by the Cheerleaders, the PEP CLUB is really together and cheering.

The sponsor of the PEP CLUB for 1974-75 was Mr. Jim Barbour.

TEACHER I NEED YOU

"Class, class, class! Quiet! Thank you. What would you like to do today? Shall we color pictures, draw, or finger paint? Finger paint-- that's what I was afraid of! Bobby, don't pull Sally's hair, at least not with that paint on your hands. Phyllis, the paint is supposed to go on the paper not on you! Class, class, class! Quiet! Thank you." Beware FTA members. You may find yourselves in this situation some day.

Mrs. Gail Riggs (ABOVE RIGHT) is the sponsor of FTA.

ABC

Do you put forth a lot of effort? Do you make good grades? Someone must have, as BETA has increased their membership this year. They have underwent new projects such as a Halloween party for the Special Education class and attending the BETA Convention in Asheville.

Recently at a BETA meeting, conversation was highlighted by Jimmy Renegar's fascinating experiences with the triangular, bisectional, quadrilateral technique of engulfing a eatable compound, or in other words, how many licks does it take to get to the center of a Tootsie Roll Pop?

The sponsor for BETA is Mrs. Janet Stakias.

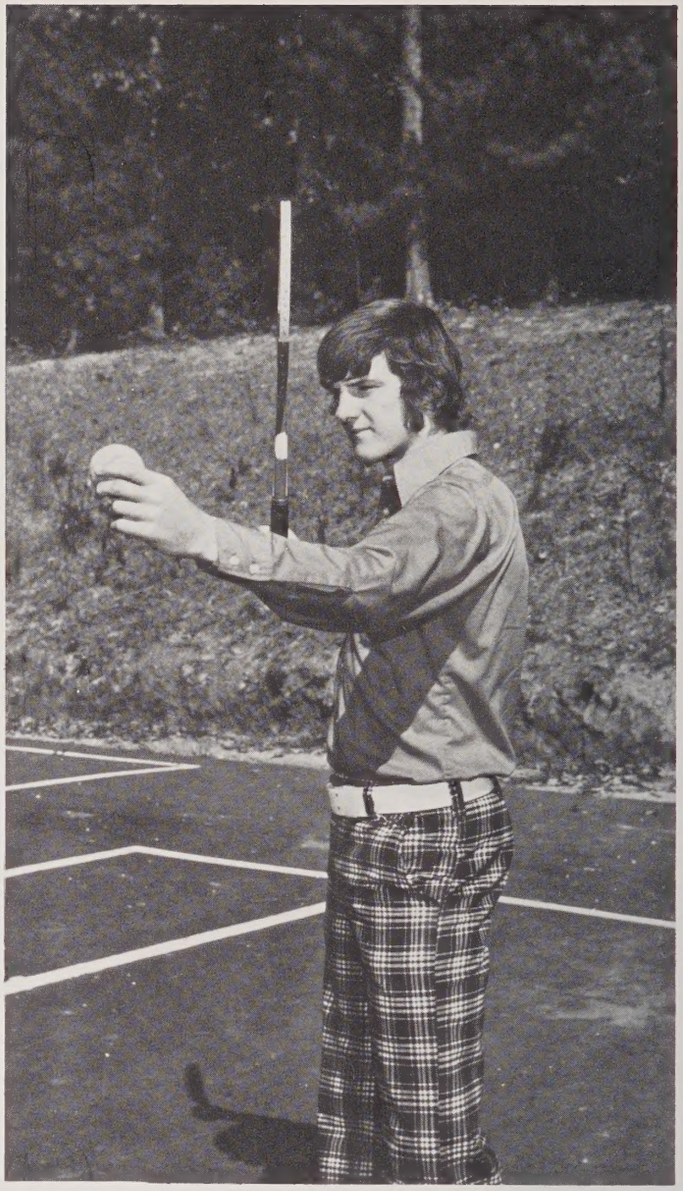
A LITTLE CLOSER



I'LL MEET YOU HALFWAY

Memories replace the smiles and wonderful times we left behind and yet they all seem so close as if they continue happening every day of our lives. They change yet, the members of the junior class are only a few of the ones to awaken to the reality of almost reaching the top. For the junior, they are only a notch away from the top of the ladder. Junior class President is Dennis Dunlap, Vice President is Kathy Brackett.

Attention Girl Watchers!! Now even more beauties are here at West. So naturally, for the Sophomore Homecoming Court, Pam Pruitt and Debbie Ward were elected by their class as representatives.

INSTANT REPLAY

WHAT A WONDEROUS TIME IS SPRING

Spring brings new leaves and new leaves were turned for last spring's BASEBALL TEAM. Much effort was put forth but when the dust had cleared, the Falcon team had struck one up for the Blue Ridge Conference Championship. Thanks boys, West High needed that!

Members of last season's team: FRONT ROW- Robert Hensley, Ronnie Redden, Ronnie Whitaker, Norman Allison, Cindy Brooks - statistician, Birdie Snyder, Tim Kuss, and Barry Stansell. BACK ROW- Coach Norman Link, Wesley Walker, Richard Rhodes, Ricky Gilbert, Larry Williams, Jerry Warren, Neil Fournier, Jessie Lanning, and Gary Mills.

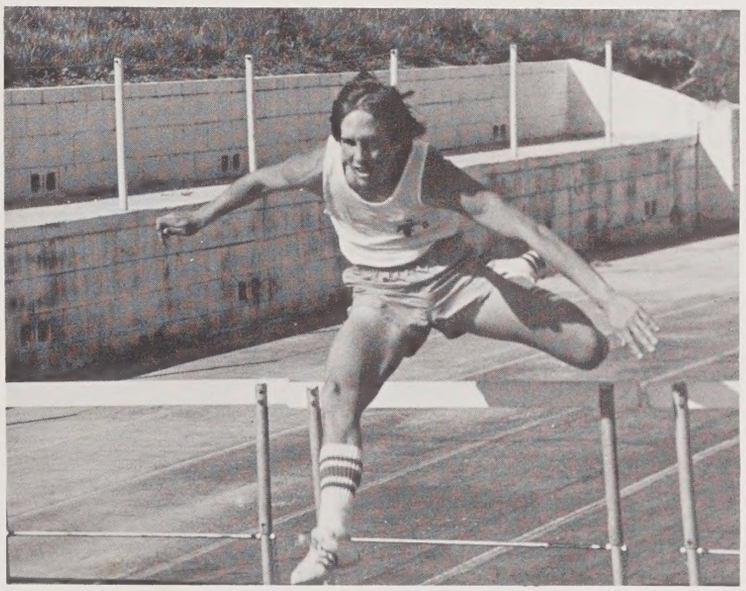
TIGER

It was an afternoon before track practice and all through the field house not a person was stirring, not even the coach. Then from the back door there arose such a clatter, everyone looked to see what was the matter. When WOOSH! through the field house there came a STREAK, with no clothes on from head to feet! Now the field house laughed with glee, everyone was happy as could be!

The track season last spring was full of all sorts of little surprises and will be remembered by all. The memorable trip to Brevard is behind us all, but for the members of the TRACK TEAM it will always shed the light of a new "MOON"!!



AND YES THEY CALL HIM THE STREAK

GET DOWN GET DOWN

The wrestling team had a great season and their pride and confidence in themselves bloomed out and gave them the will power to accept nothing less than the best.

The motto "Every man for himself" would never enter the minds of this year's grabbers. They worked as a team and ended the season with a clean undefeated record. (12-0)

Excellent leadership from Coach Berkley and captains, Andrew Brittain and Kevin Finley led the team to a point where there was no looking back--only V-I-C-T-O-R-Y.

RUB IT IN--RUB IT IN!!!
Remember those hot August days, the skoll and the cramergesic. Those were the days that will always be remembered by the Varsity Football players. Practice after practice, game after game, strive and determination came out on those Friday nights. Through thick and thin the FALCONS again were champs all the way.

For some this season is the end but to the rest there'll be no end, to practice, weights, films galore, all the rest which brings the Falcons glore. The football season for 1974 was a year of winning, some defeat and accomplishments to say the least.

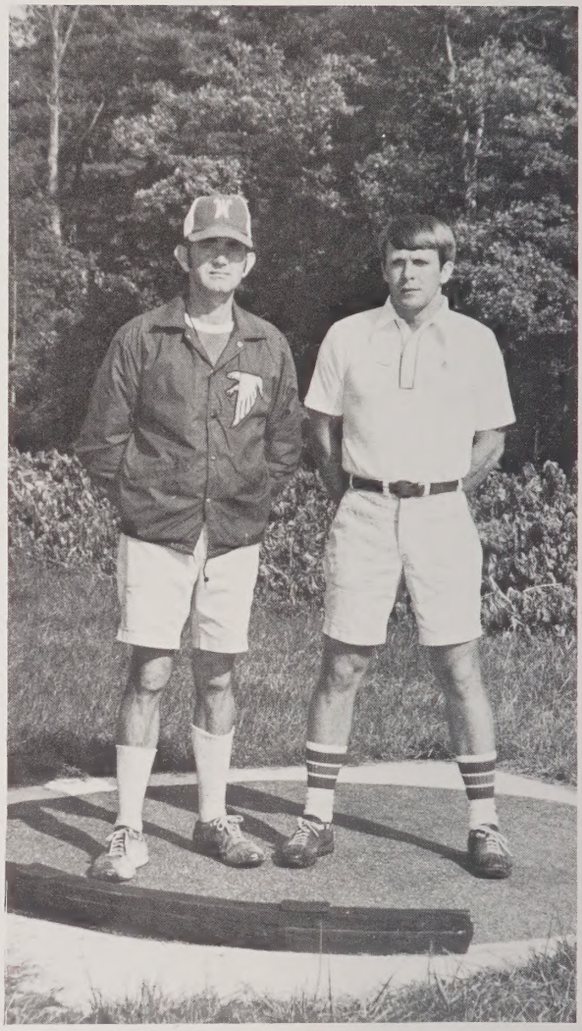
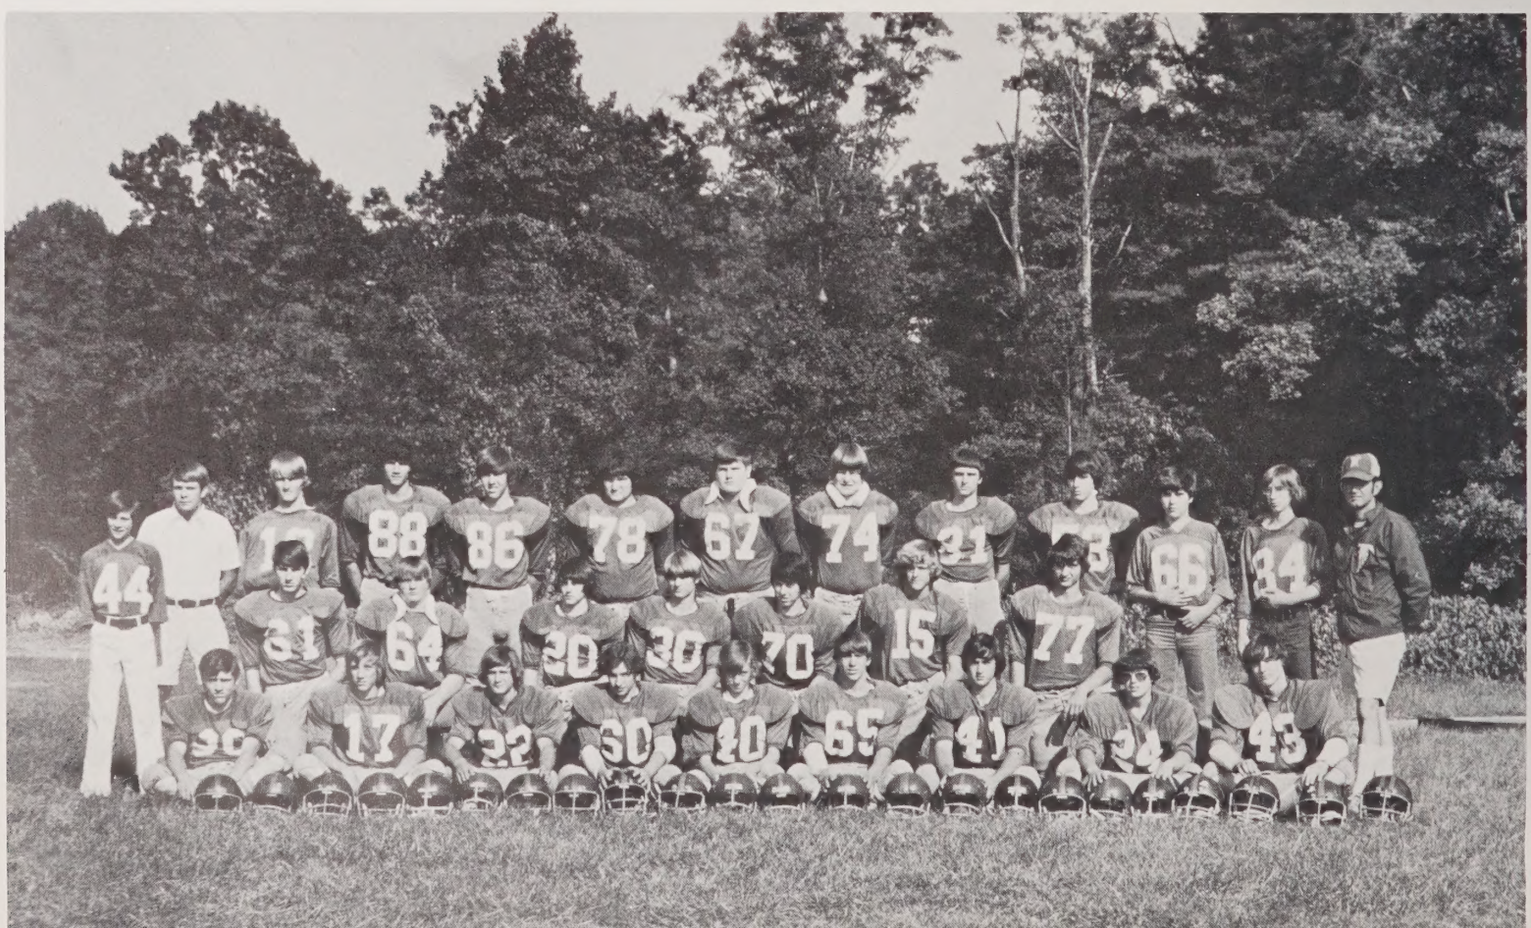
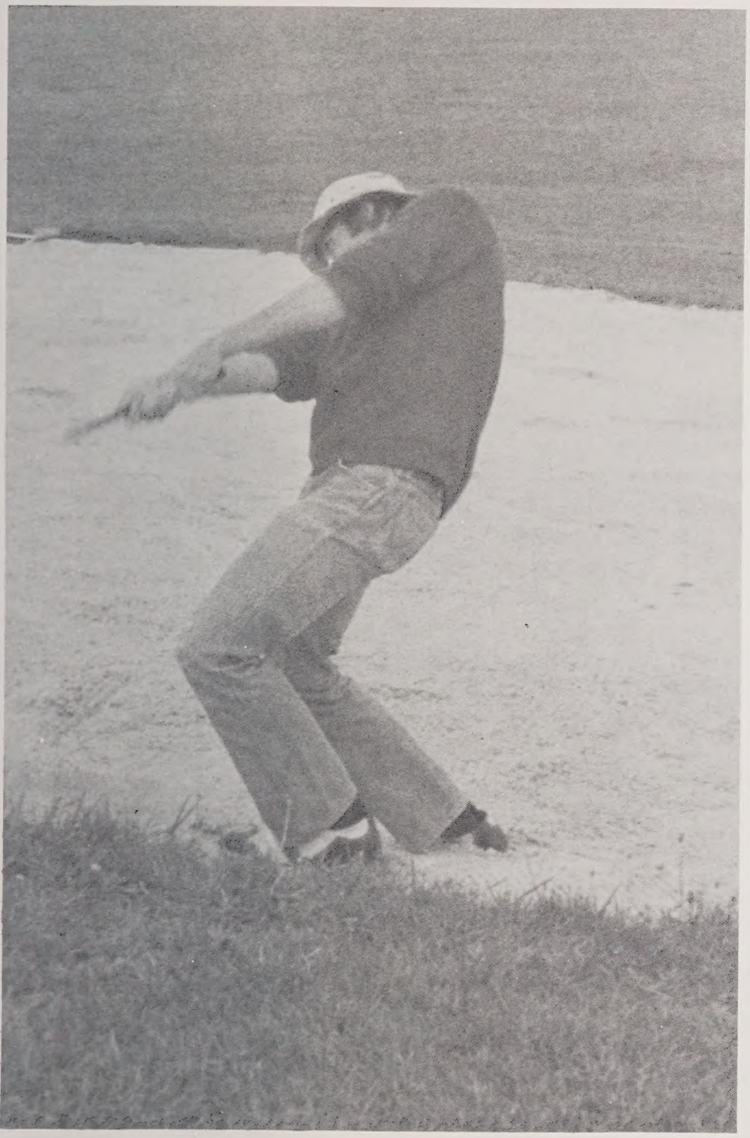
What a year, what a year!! Another Blue Ridge Conference Championship for Junior Varsity Football. Again this year they struggled to once again prove themselves worthy of the title CHAMPIONS. Hard work, excellent leadership and the want to be number one is no longer a fantasy but a reality for the Junior Varsity team.

RIGHT: Coach Norman Link and Coach Bill Worley.



Members of this season's championship team are as follows: Gary Allison, Leslie Berry, Ronnie Bryson, Glenn Corhn, Eddie Garren, Richard Goode, Donald Hunnicutt, Ricky Jackson, Jeff Johnson, Herbert Jones, Mike Link, Randy McFalls, Ricky McFalls, Shane Norris, Randy Praytor, Eddie Rhymer, Ricky Ruff, Clifford Searcy, Wofford Shipman, Lowell Simpson, Jeff Ward, Dan West, Randy Woodruff, Bill Smith, Richard Simpson, and Mike Brevard. Phillip Brittain and Ellis Phillips served as the team's captains.





SANDMAN

They fly through the trees with the greatest of ease and a flying golf club comes by and oh! what a breeze. Then Coach Bagwell hollered out, "just do as you please but boys we need this game, if you don't mind, please! So his boys straightened up and they won the match but they didn't get the game with a jerk or snatch. They got it with their good ability and it certainly was a good match.

Members of the 1974 team are as follows: FROM LEFT TO RIGHT, Coach Bagwell, Wesley Marona, Lloyd Fowler, Tab Haigler, Barron Allison, Tony Dalton, Kevin Roberts, and Ralph Cable.

"I AM WOMAN," HEAR ME ROAR

Broken wrist, sprained ankles, twisted elbows, black eyes, bruised arms, and sore legs all contribute to the determined effort the members of the girl's softball and volleyball teams put forth last spring. They learned to hold their heads high and be proud that they are representing West Henderson High School!

ARE YOU MAN ENOUGH?

Championship is getting to be a common thing around West High for the Varsity Basketball team. Thanks to Coach Bagwell, they've got a good thing going and there is no turning back, because we're going all the way.

IT AIN'T EASY

Practically undefeated was the JV team this year. Teamwork, much determination, and the help of Coach Link, were the factors that led the team to many victories. With such achievement this year, next year will surely be one to look forward to, even though "it ain't easy."

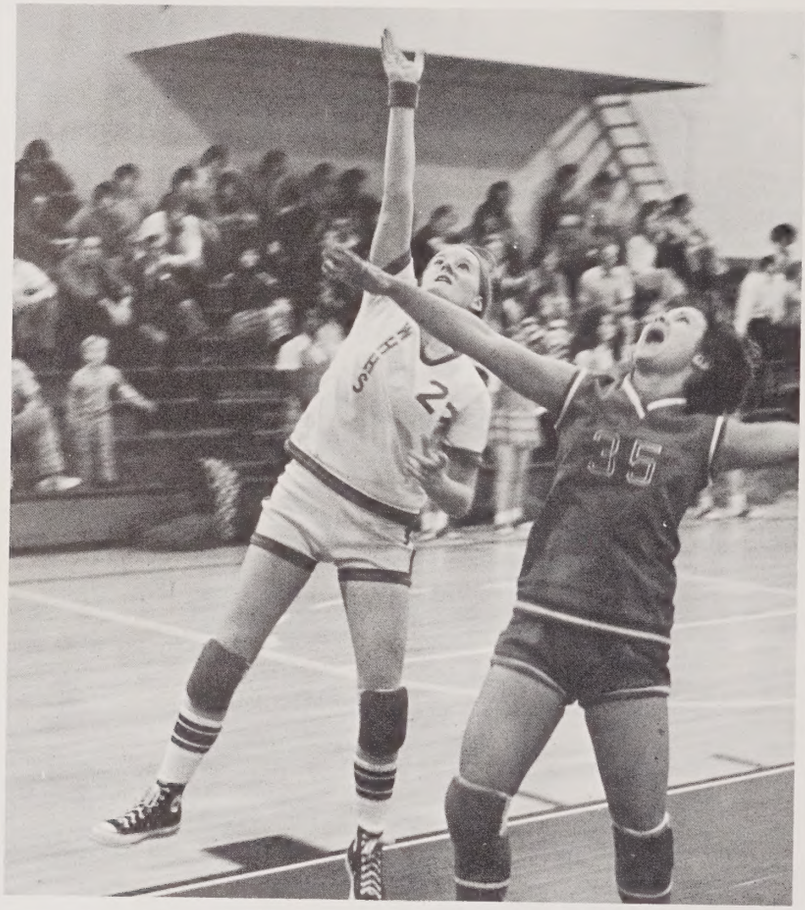
Beep . . . Jump ball! Beep . . . Foul! Coach Mullins, what did I do? Technical on you! For what? I don't know! Who does? Ask the referee. He doesn't know either! Well, someone has to! Ask the clockkeeper. How should he know! Well, he's supposed to be watching the game! You are too! Well, so are you! I was! Well, what was it? A technical. I know that, but what for? I don't know! Ask the referee . . . and so it goes for the girls' basketball team.

DO IT 'TIL YOU'RE SATISFIED



GO TEAM GO!!

Team Pictured On Page 180: Starters (FRONT ROW) Phyllis Robertson, Sondra Smith, Debbie Rhymer, Sherrie Chapin, Sarah Wilson; (BACK ROW) Melinda Fisher, Carolyn Moore, Debbie Cantrell, Cindy Moffitt, Lynn Camp, Alice Nichols, Michelle Roberts, Marsha Shipman, Robin Lyda, Laurie Eakes, Coach Mullins.

LET ME BE THERE

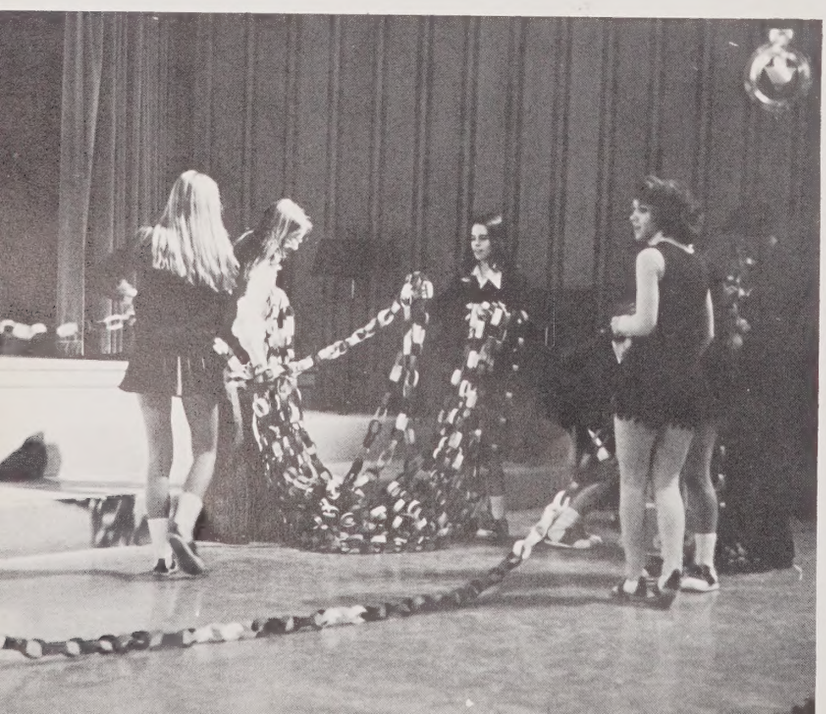
The Junior Varsity cheerleaders are really a spirited bunch. Rain sleet, or snow the cheerleaders are always on the go. They back the teams one hundred per cent, whether we win or lose. Thank you cheerleaders, West High is really proud of you!

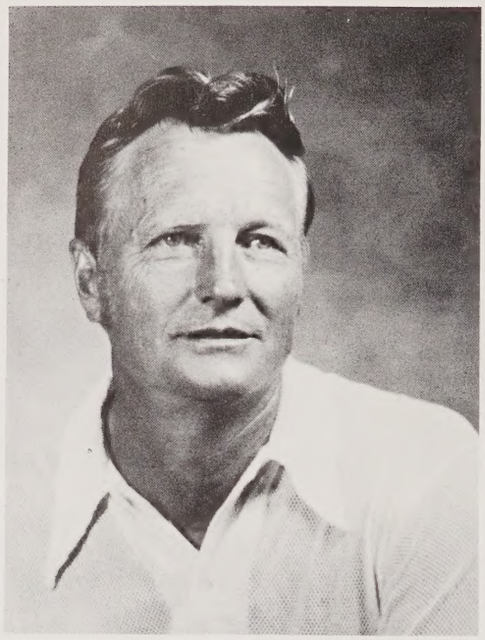
Members: Laura Armstrong-captain, Pam Pruitt-co-captain, Debbie Ward, Debbie Case, Alicia Whiteside, Dena Osteen, Katherine Haigler, Sandra Lashley and Carolyn Tatham.

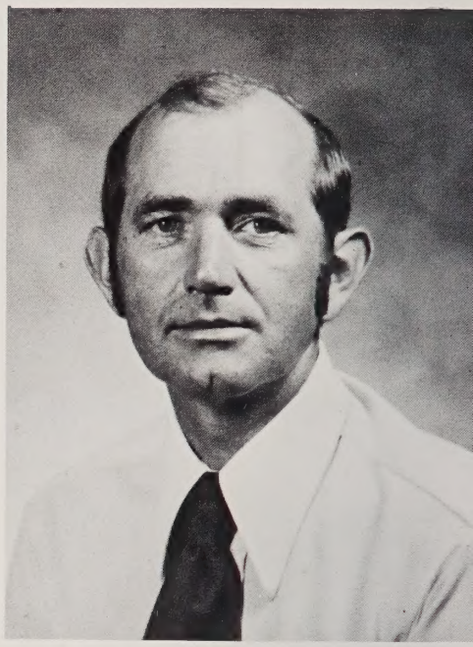
STAND BY YOUR MAN

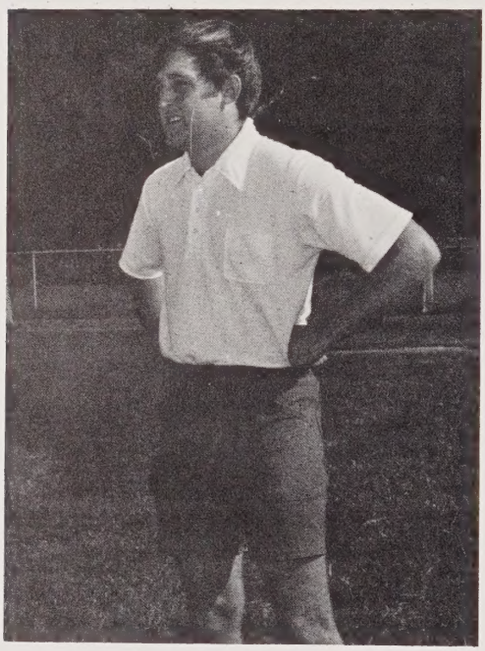
WHS stomp, set, ready. Don't move yet Cindy, it's not our turn! Yes, it is! Oh no, that's all we need, four lines instead of three. What's the jump? Elbows out! Well, how was I to know that the jump was an spread eagle!

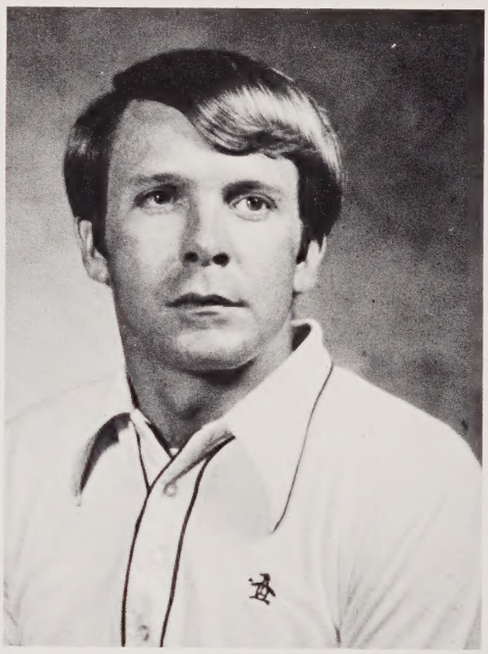
Members of this years team: Jenni Allen-captain, Beth Tatham-co-captain, Susan Nelson, Phyllis Allen, Sherri Case, Beckie McIntyre, Elaine Jones, Cindy Berkley, Gail Souther, and Christy "Big Bird" Drake.





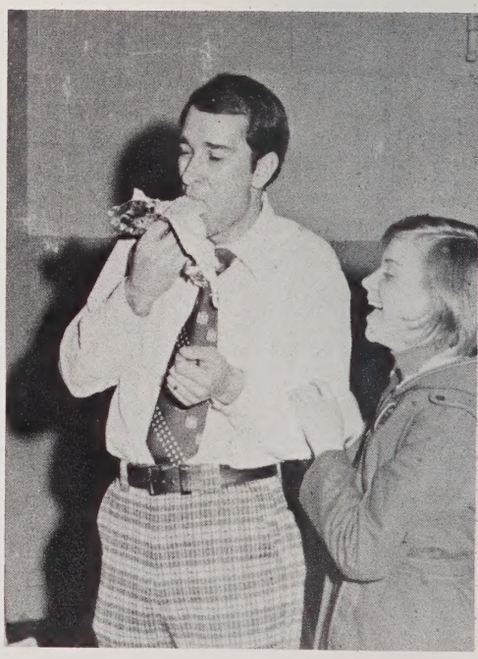


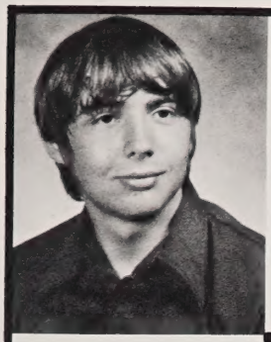


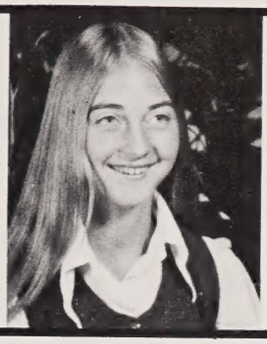


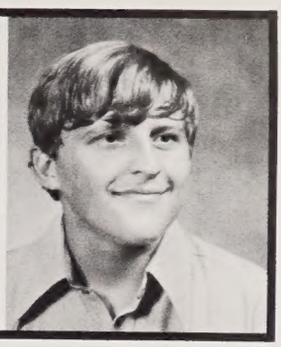
Much hard work and time is put into each of the athletic events here at the school. Without the help of the COACHES none of these activities would be possible. The students of West High would like to thank the COACHES for their jobs well done.

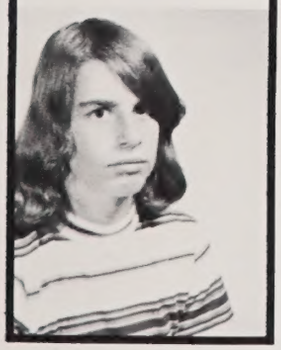
TOP ROW: Ray Berkley-Varsity Football and Wrestling; Carroll Mullins-Varsity Football and Girl's Varsity Basketball; Norman Link-JV Football, JV Basketball and Baseball. SECOND ROW: Burney Drake-Varsity Football and Track; Bill Worley-JV Football; Barbara Lemmons-Cheerleaders. RIGHT: Paul Bagwell-Varsity Football, Golf and Boy's Varsity Basketball.











HEY MANAGER!!!!

Where's my uniform! I need a towel! Give me a piece of ice! How many fouls does Sody have? How many more time outs do I have?

The managers and statisticians' jobs are endless. What would our sport's teams do without the good helping hand and support of the managers and statisticians? Who knows? Do you? . . .

Absent when picture was taken: Gregg Jackson.

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and agressive persons, they are vexations to the spirit. If you compare yourself with others; you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble, it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to the virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline be gentle with yourself. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all it's sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

--Fred Werent

money and the world of work

Just think back a half dozen years and recall the allowance you may have gotten before you entered your teens and started earning money on your own. That sum — whether it was 50¢ a week or more — wouldn't go far today.

It becomes apparent, no matter how you look at it, that money has no value in itself. It's only so much paper or bits of alloy.

Only work — and the things work produces — has real value.

We work for someone. We get money. We use that money to buy the work (the goods and services) of others. That's the system.

But to make the system work properly, everyone who's able to work has to give as much value for the money he earns as he expects to get for the money he spends.

Take this example: When you set out to buy a new car, or a stereo, or a washing machine (the work of others), you demand top quality workmanship — the very best.

And that's why you need to do your very best . . . meeting the needs of your job and the customers it serves — no matter what you do now, or in the future.

That's the way the system has to work.
